Terms & Conditions of use of GS1 Barcode & Item Data Verification Service

Applicable to both GS1 Members and Non-Members.

1. GS1 South Africa reserves the right to offer verification to members based on the fact that no
 - a. previous monies are owed to GS1 upon member application for verification services.
2. GS1 South Africa reserves the right to withhold verification services and/or reports from non GS1 members unless in the case of a printing company service provider. If you are a printer submitting products on the behalf of a GS1 member, this submission must be accompanied by a letter from that GS1 member accepting the charges.
3. GS1 will not provide a Final Verification report unless Verification practices is carried out on a "Final Product" i.e. PDF's, Artworks and Labels will be verified but with limitations and these will allow only for the issue of
 - a. an "Interim Report".
4. Issuing of bar code and/or Item Data Verification test reports, expected delivery of reports is 4 – 8 working days. Invoices will be issued to the company and contact person nominated.
5. Reports will be sent to the requestor via GDSN Datatnet.za and/or via email to the requestor / contact listed.
